

Immigration update on Deferred Action for Childhood Arrivals

As I am sure you are aware, this is a difficult and confusing time for many immigrants.

Included here are **some materials to help understand the details** of the termination of the Deferred Action for Childhood Arrivals (DACA) program, **general information on what to do if stopped by an Immigration/ ICE officer**, a **link to the New York Immigration Coalition's (NYIC) events webpage** for a list of immigration events (some know-your-rights and some application assistance), and a **link to the USCIS website** announcing the phase out of the DACA program.

- To help **clarify the Administration's recent announcement** terminating the Deferred Action for Childhood Arrivals (DACA) program, please [see this DACA Fact Sheet](#).
- [Flyer for general information on what to do if stopped by ICE and resources available](#).
- [New York Immigration Coalition's \(NYIC\) webpage](#) for ongoing calendar of immigration events (both **know-your-rights** and **application assistance**).
- [Link to the 2017 USCIS announcement on DACA](#).

CAMBA will be participating in some of the events listed on NYIC's events page, and we are also scheduling appointments now for clients who are eligible to renew their work authorization under DACA (see attached fact sheet for more detail).

To schedule an appointment for a DACA client who needs help renewing their work authorization, please contact (718) 940-6311.
